Well, this seems
like this is our last
year of school together,
but I can sincerely
say that I have enjoyed
going to school with
you very much. Bobby,
you are very cute and
you have a wonderful
personality, so I don't
ever have to wish you
luck, ^{and success} because I know
you will obtain it. Best

Golly, it hardly

seems like we've

been going to school

together twelve years.

It seems like only

yesterday that you

went to see all the

girls. (You haven't

changed much) There's

politics. I want to read

Dear Betty -

Well, it looks like that

12th year is finally here. I

don't think it hardly seems

possible. I only know that I

have enjoyed, more than ever

could ever say, being in school

with you the past 12 years.

So when wonderful having you

as a classmate and I want to

wish you the best

Yes, it will seem odd without you in High School. You have always been in the grade ahead. Even though we have always known each other and were friends. I'll never forget the times you, Earl, and I had when we were real little. But that is what makes life a pleasure. I wish you lots of luck in the coming years.

I have truly enjoyed every year I have gone to school with you. You have a very wonderful personality and I know you will go far. Good luck. I am looking forward to our trip to New Orleans.

Bobby:

You have more brains than any other person in our class. With your looks and personality to go with them, you will be a great success in the career you choose to follow.

It has been a pleasure going to school with you all these years. We have had lots of fun and a good deal of heartache, too. All these things will live on in our memory forever. Good luck, Bobby, forever.

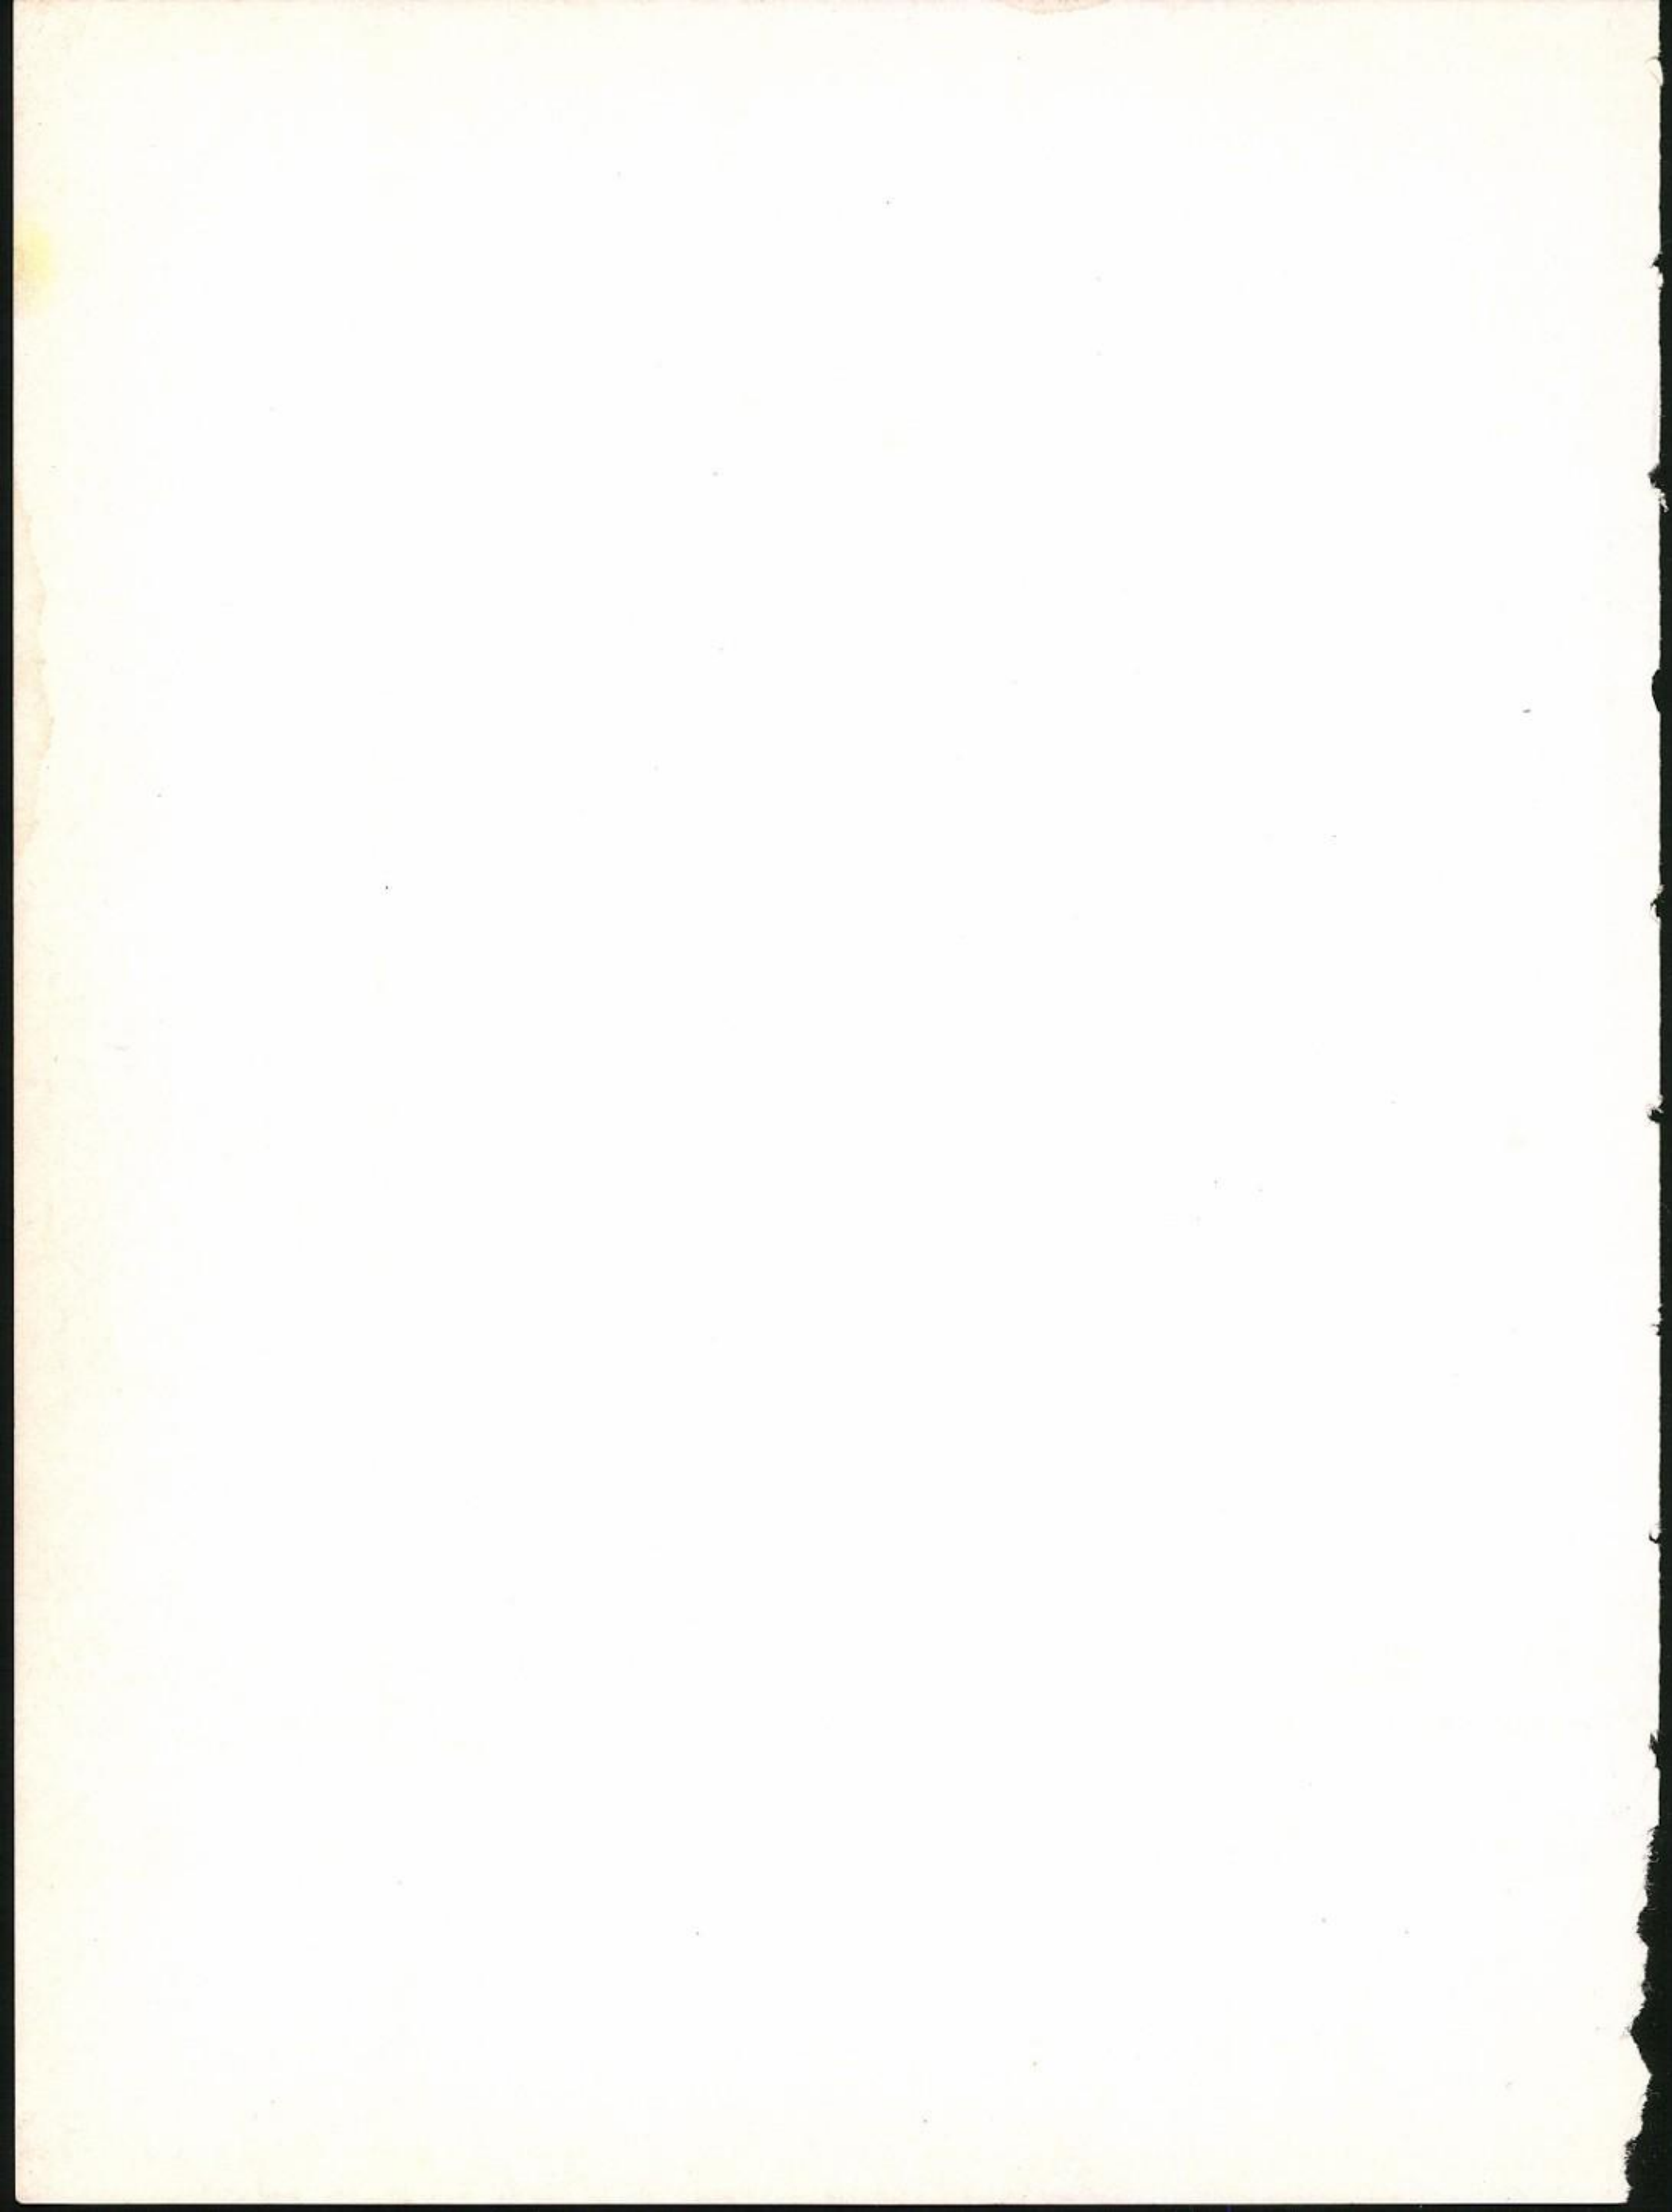

Always your friend,

With your brain and personality you will surely find success in life. You are a swell boy and I have enjoyed going to school with you. I wish you the best of luck because you deserve it.

The Aerie

"The Nest of the Eagle"

"56"

Published by
The Annual Staff of
RUSK HIGH SCHOOL
Rusk, Texas

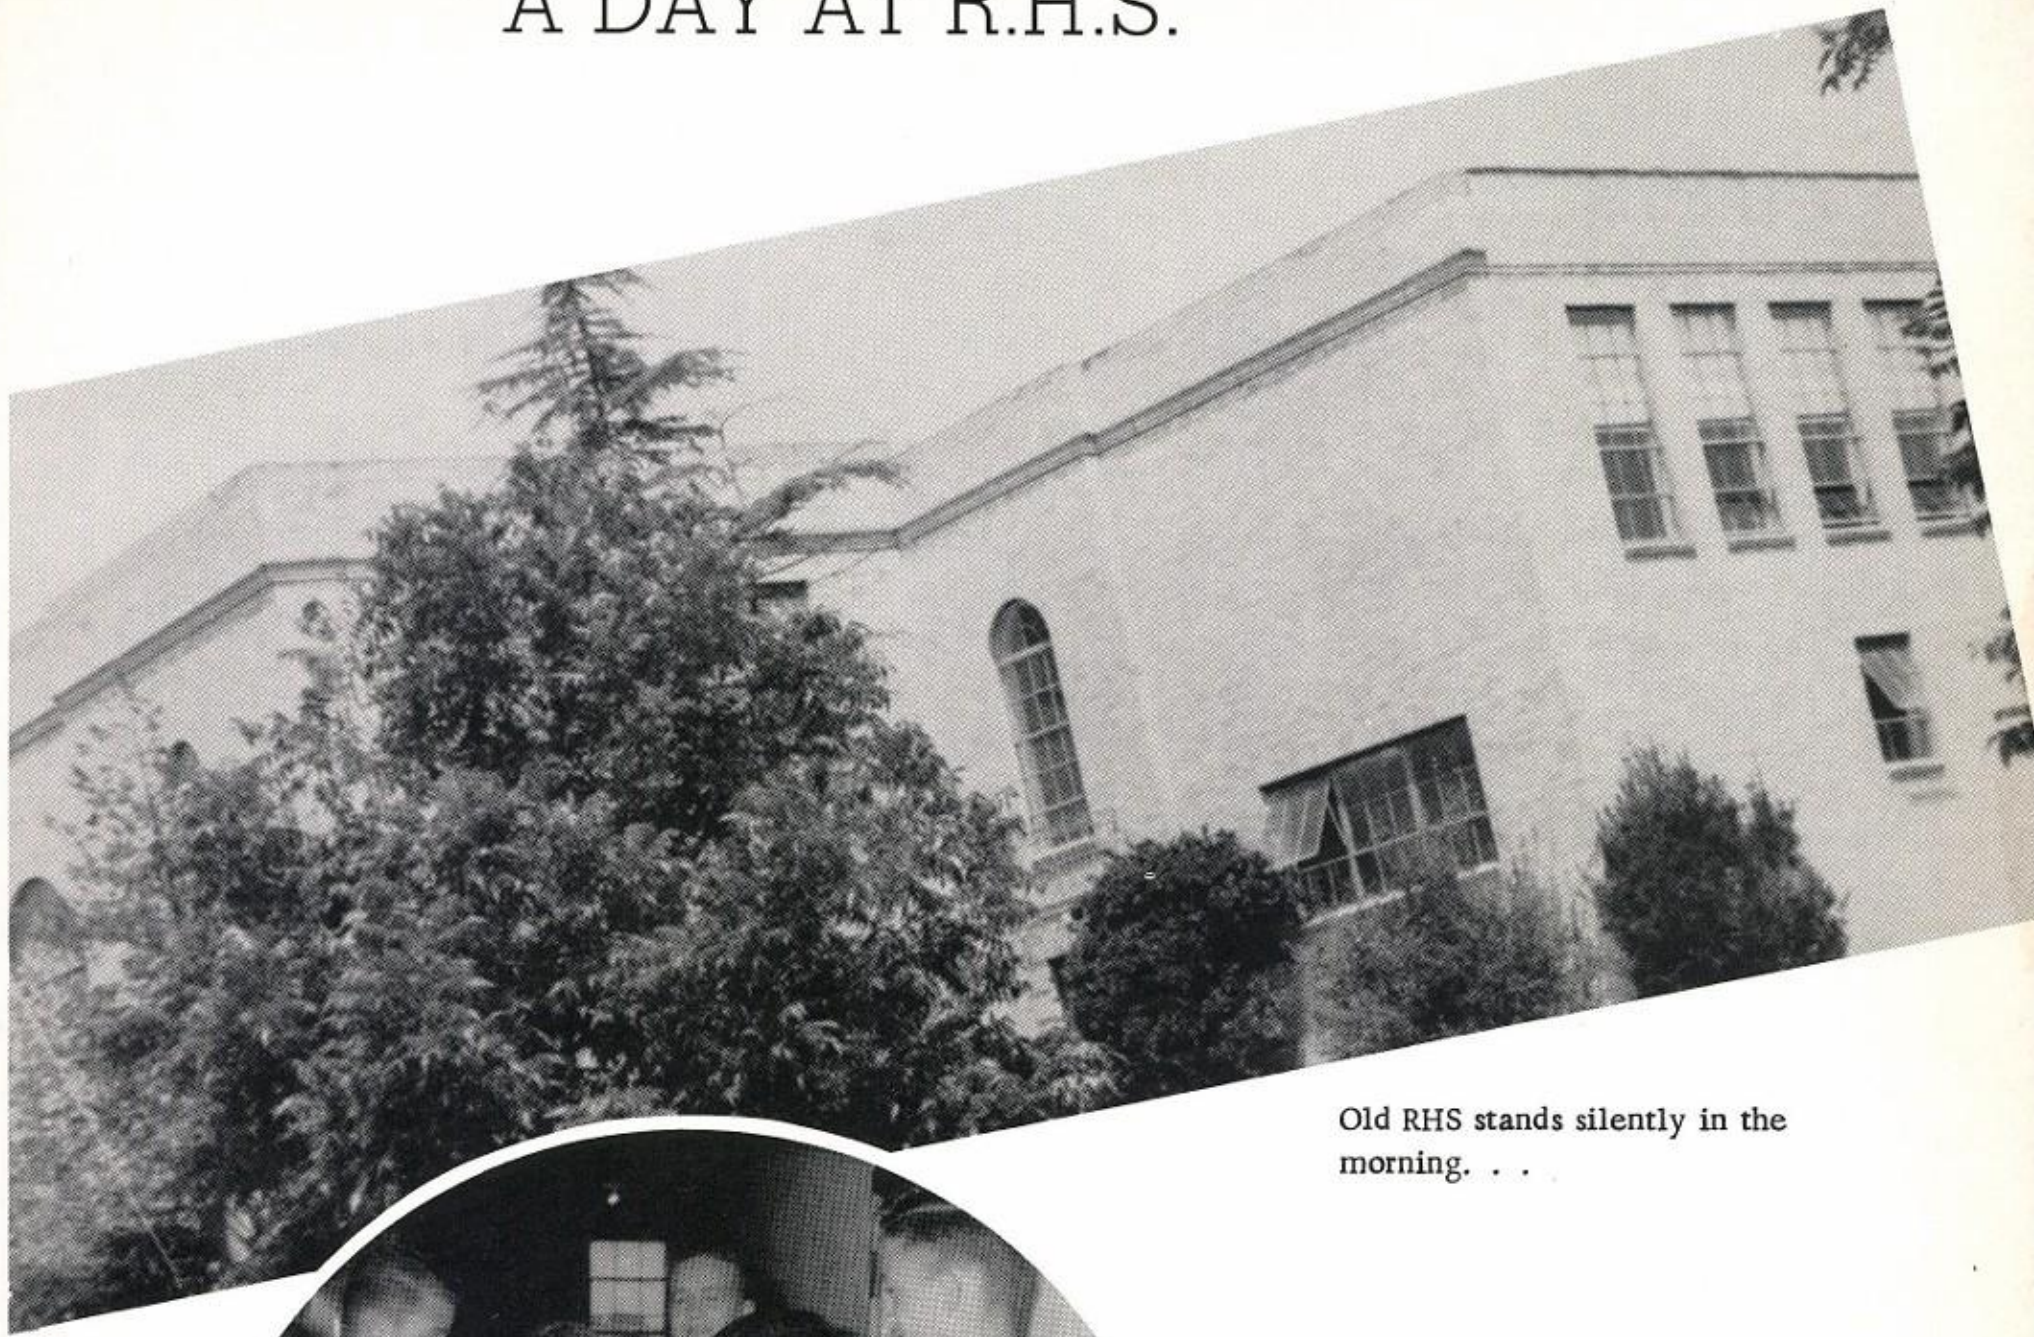

FOREWORD

... The doors through which we pass, . . the corridors, the minutes of sociabilities before class, the class rooms, youth coming and going. The purpose of the 1956 edition of the Aerie is to record the deeds of the boys and girls, who for the past year, embodied the spirit of Rusk High School. In the years to come, this year-book will keep alive the memories gathered during the undergraduate days. The future years will bring new faces and changes to the school scene, but there shall be for us this record of the friends we know, the things we did, and the memories that are still dear to us. Yes, this entrance to our school, our beloved R. H. S. that has seen many come and go, stands solidly as the Seniors of each year pass through all too quickly.

A DAY AT R.H.S.

Old RHS stands silently in the morning. . .

As students begin to gather in the hall. . .

And line up for passes. . .

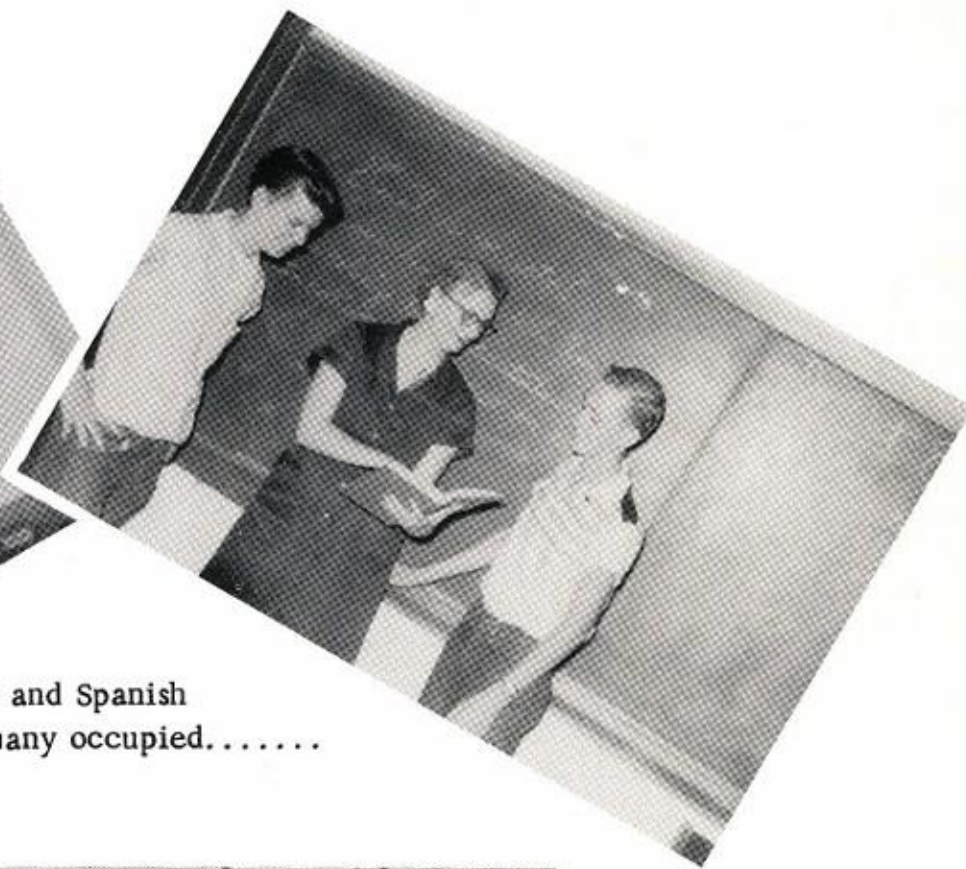

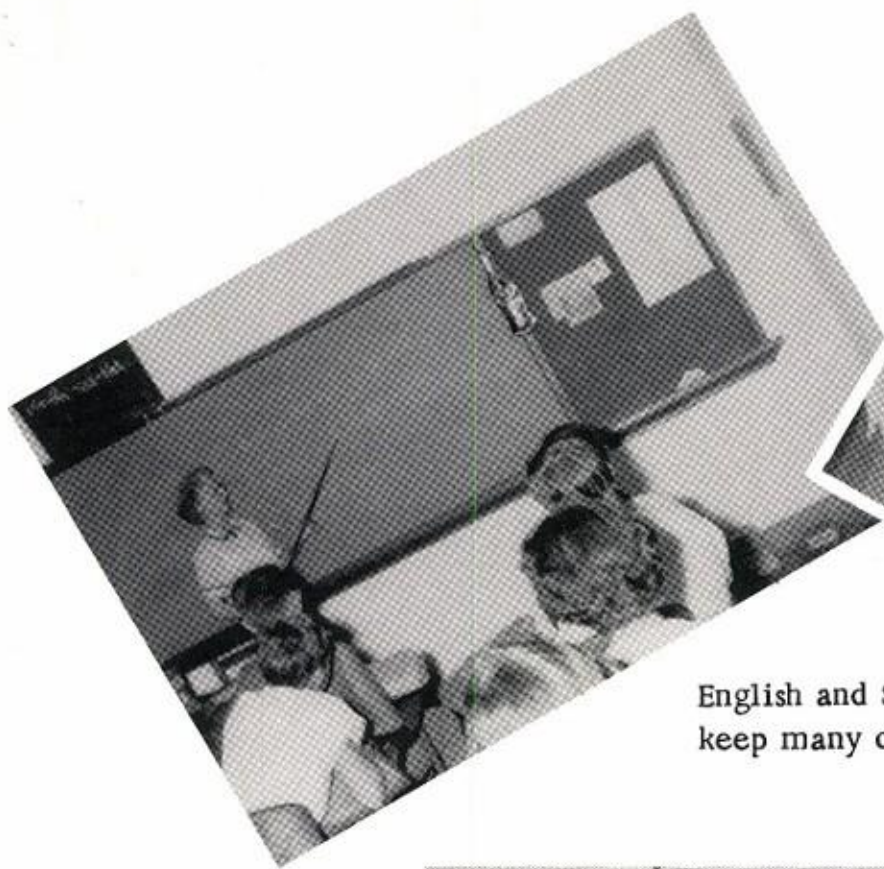

As the bells ring, the people
start drifting to classes. . .

Classes begin. . .

but someone is
always late. . .

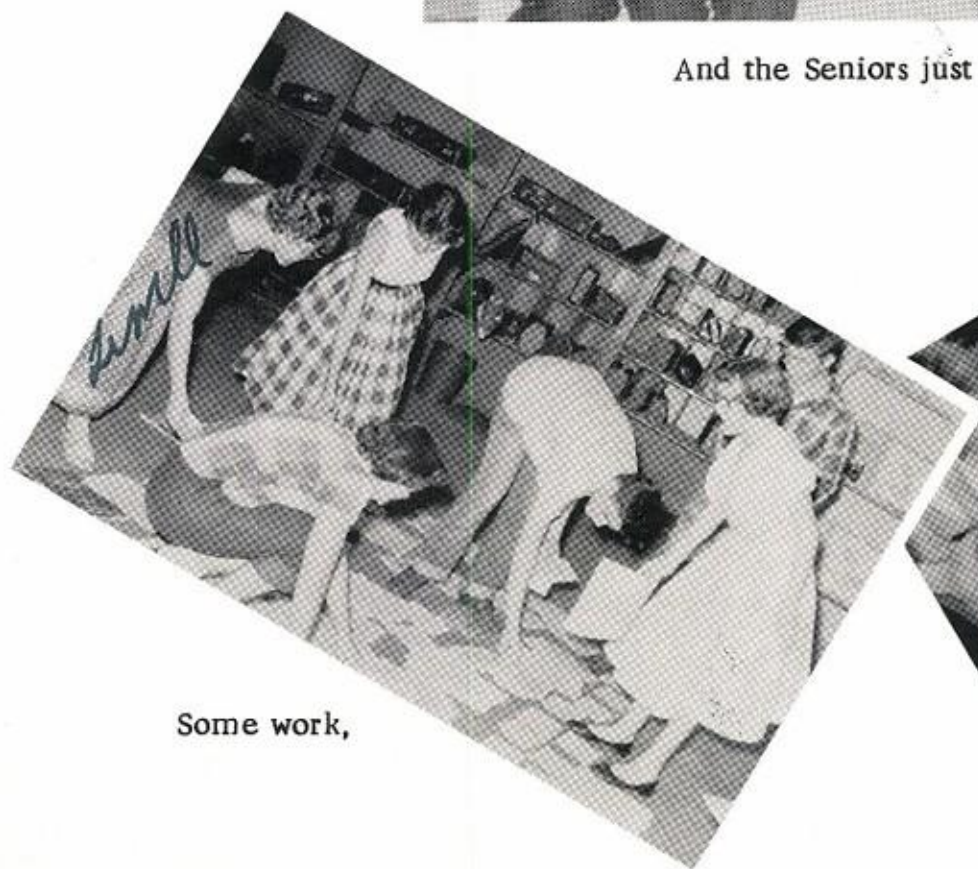

English and Spanish
keep many occupied.....

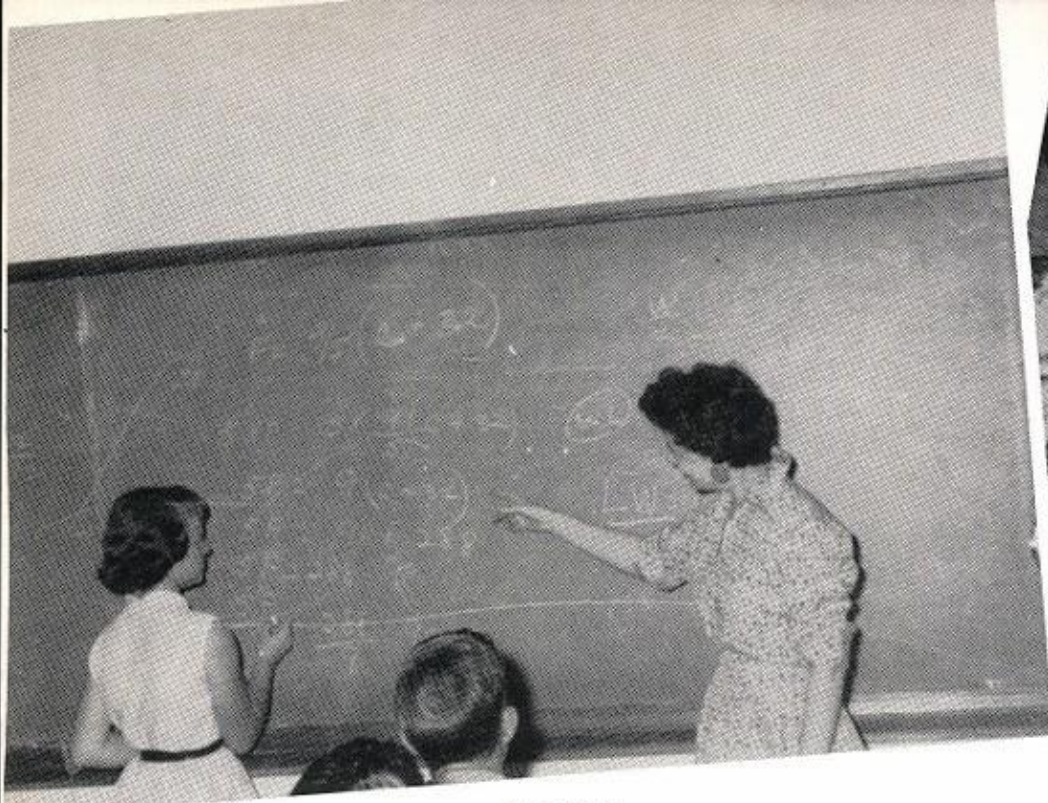

And the Seniors just loaf....

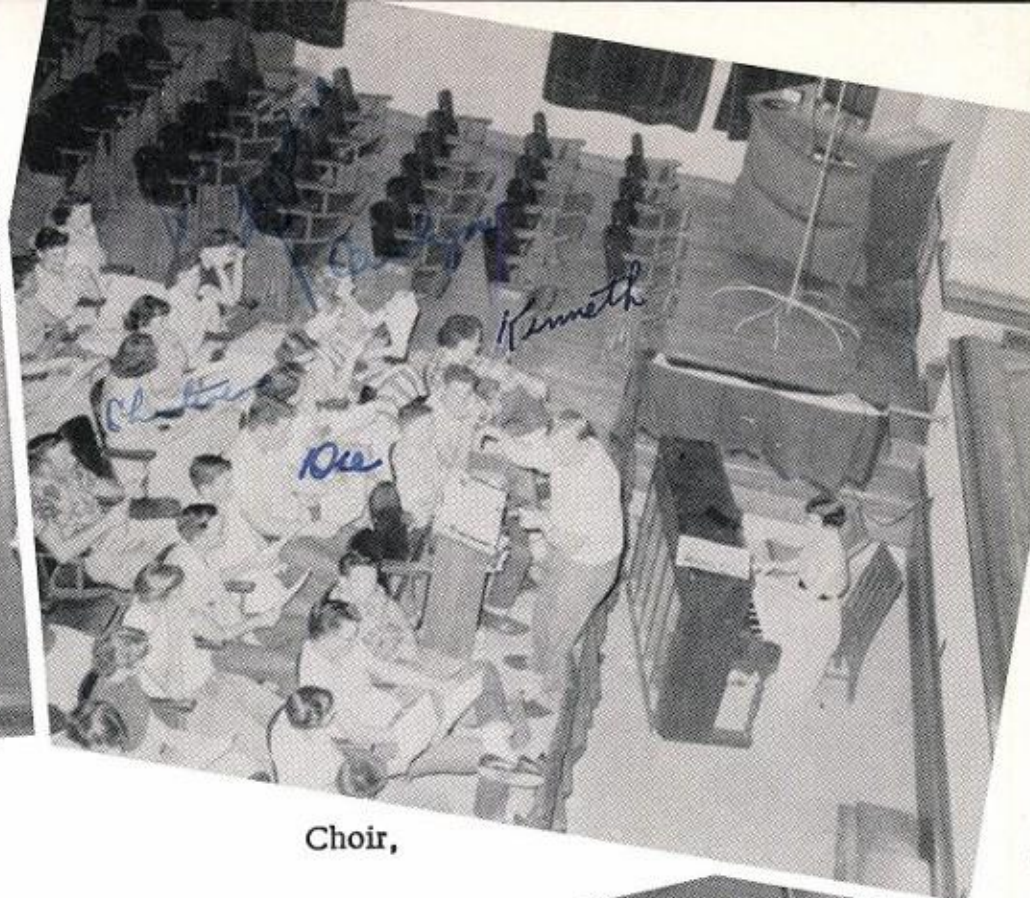

Some work,

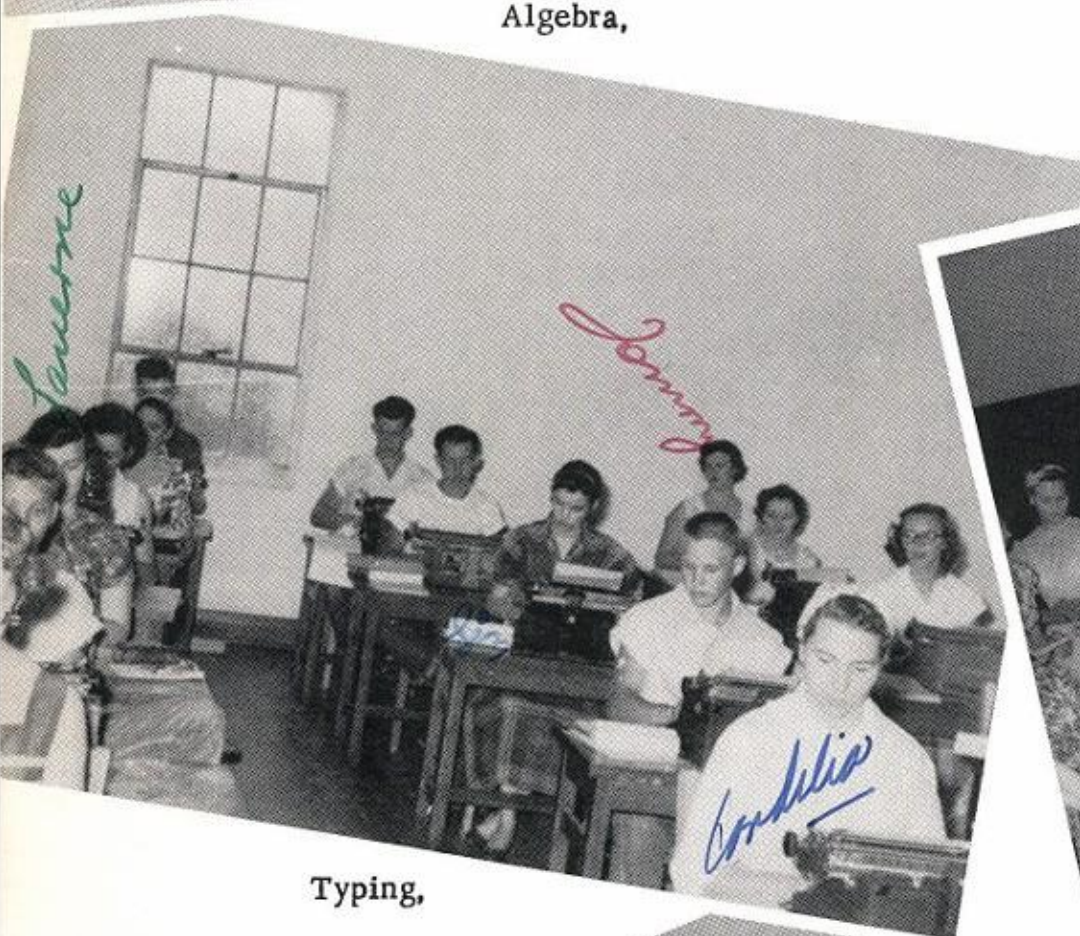

Some play,

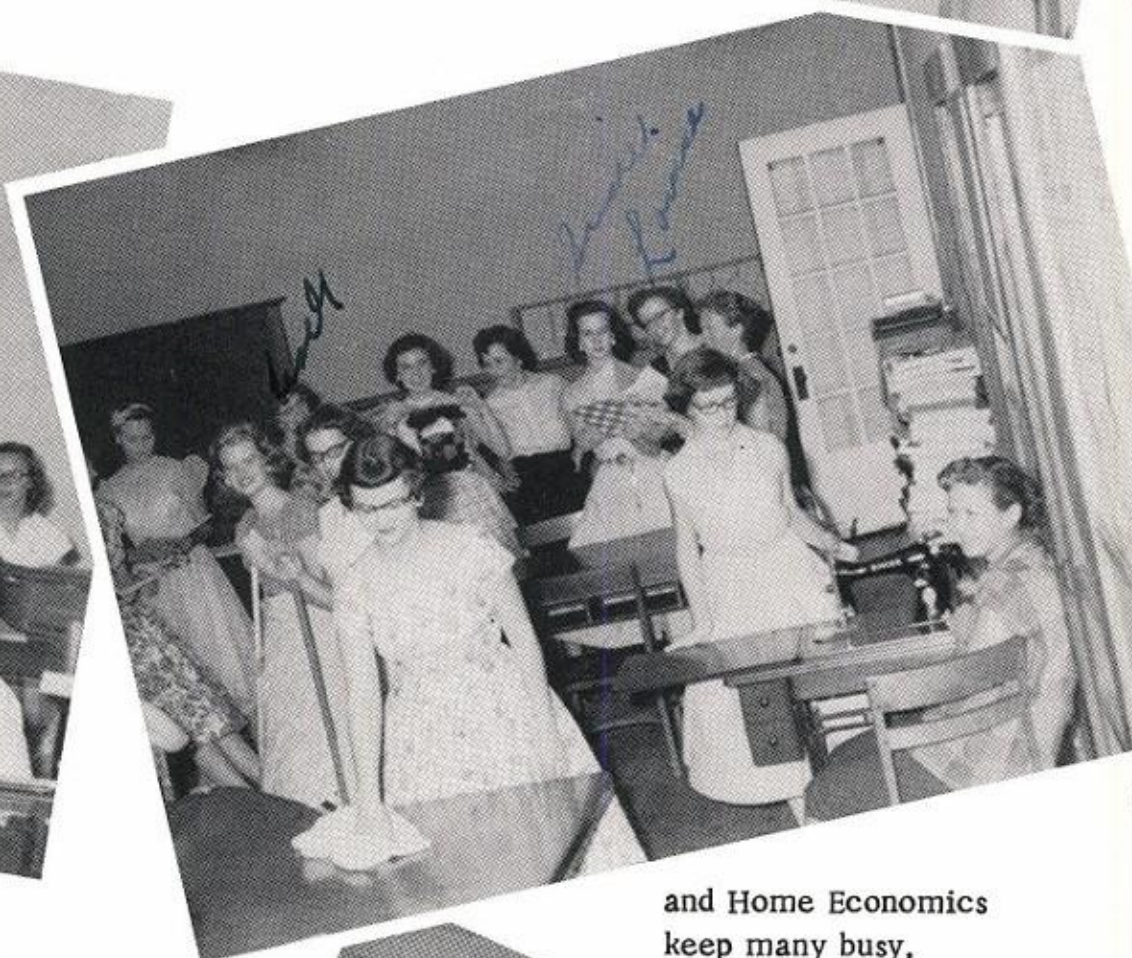

Algebra,

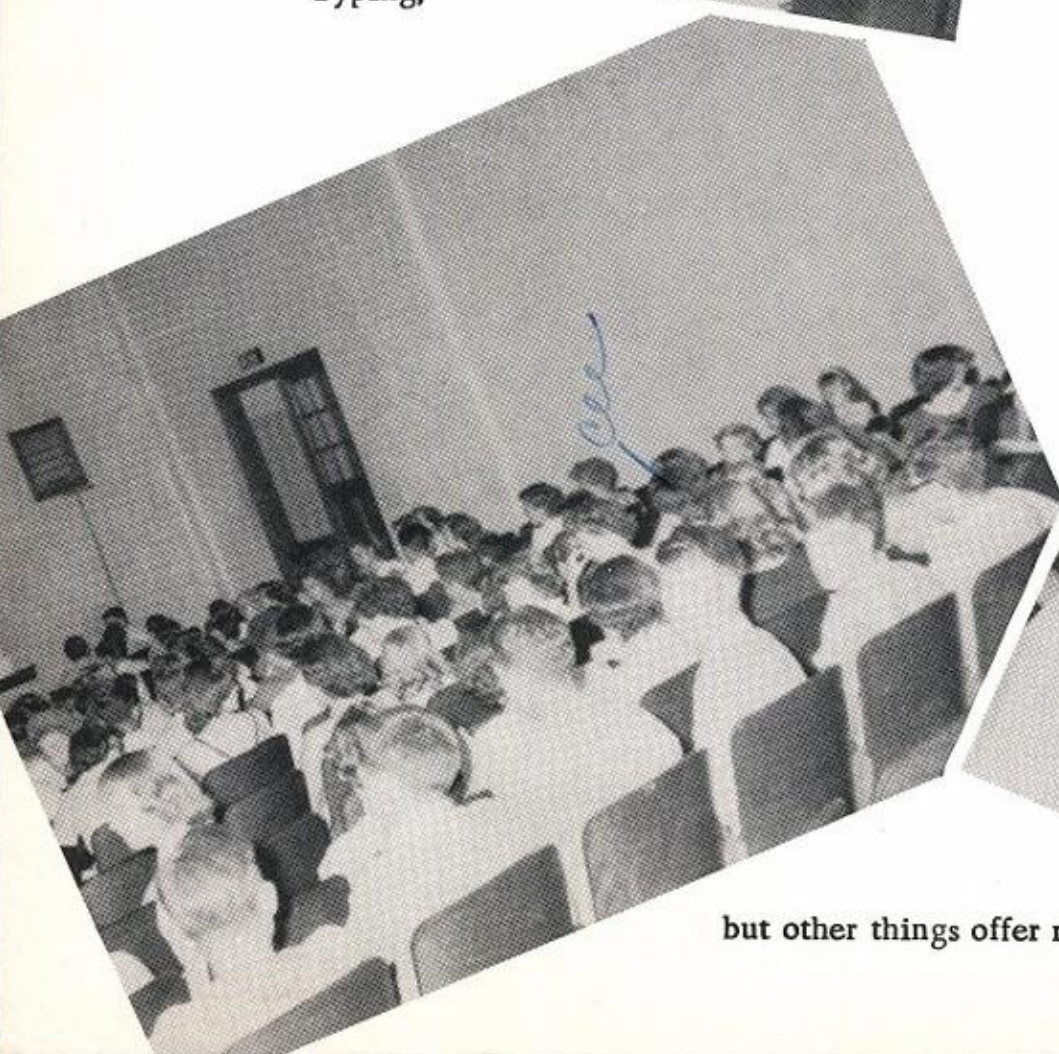

Choir,

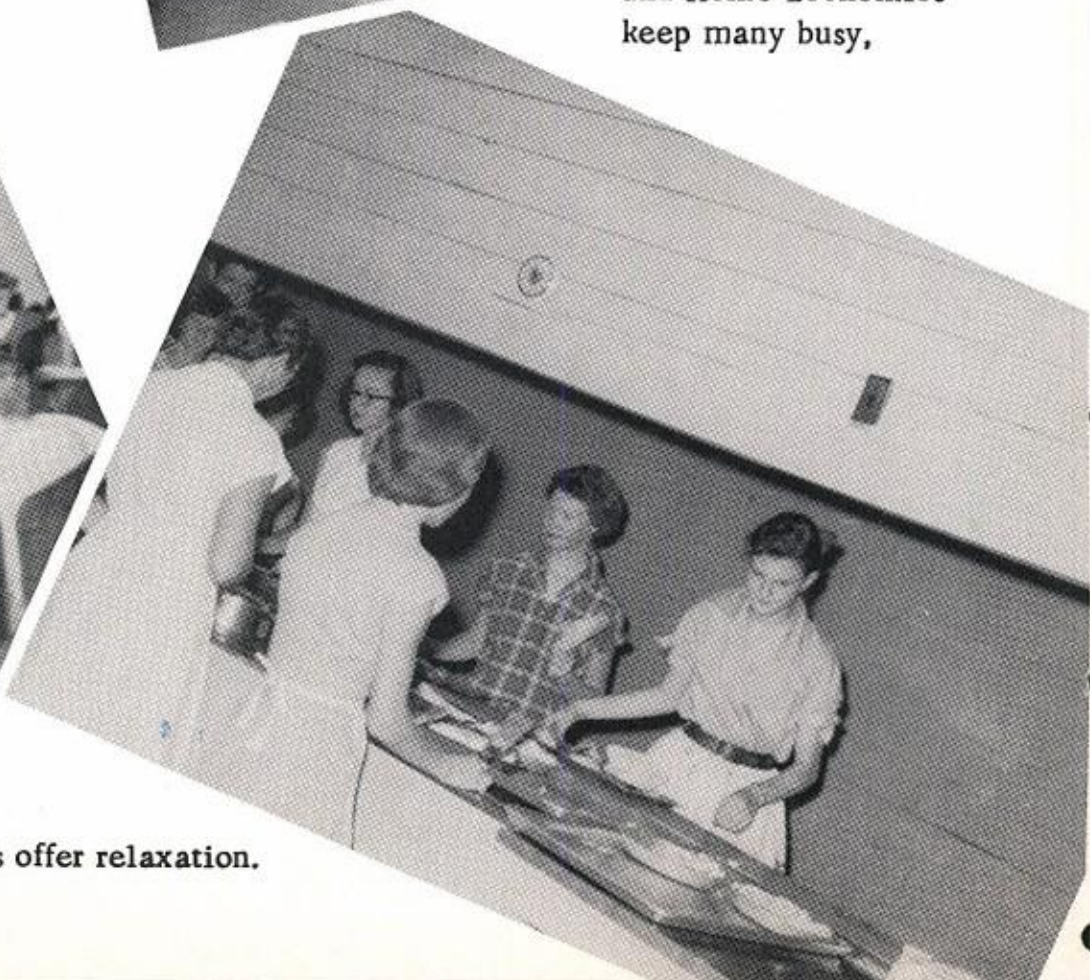

Typing,

and Home Economics
keep many busy,

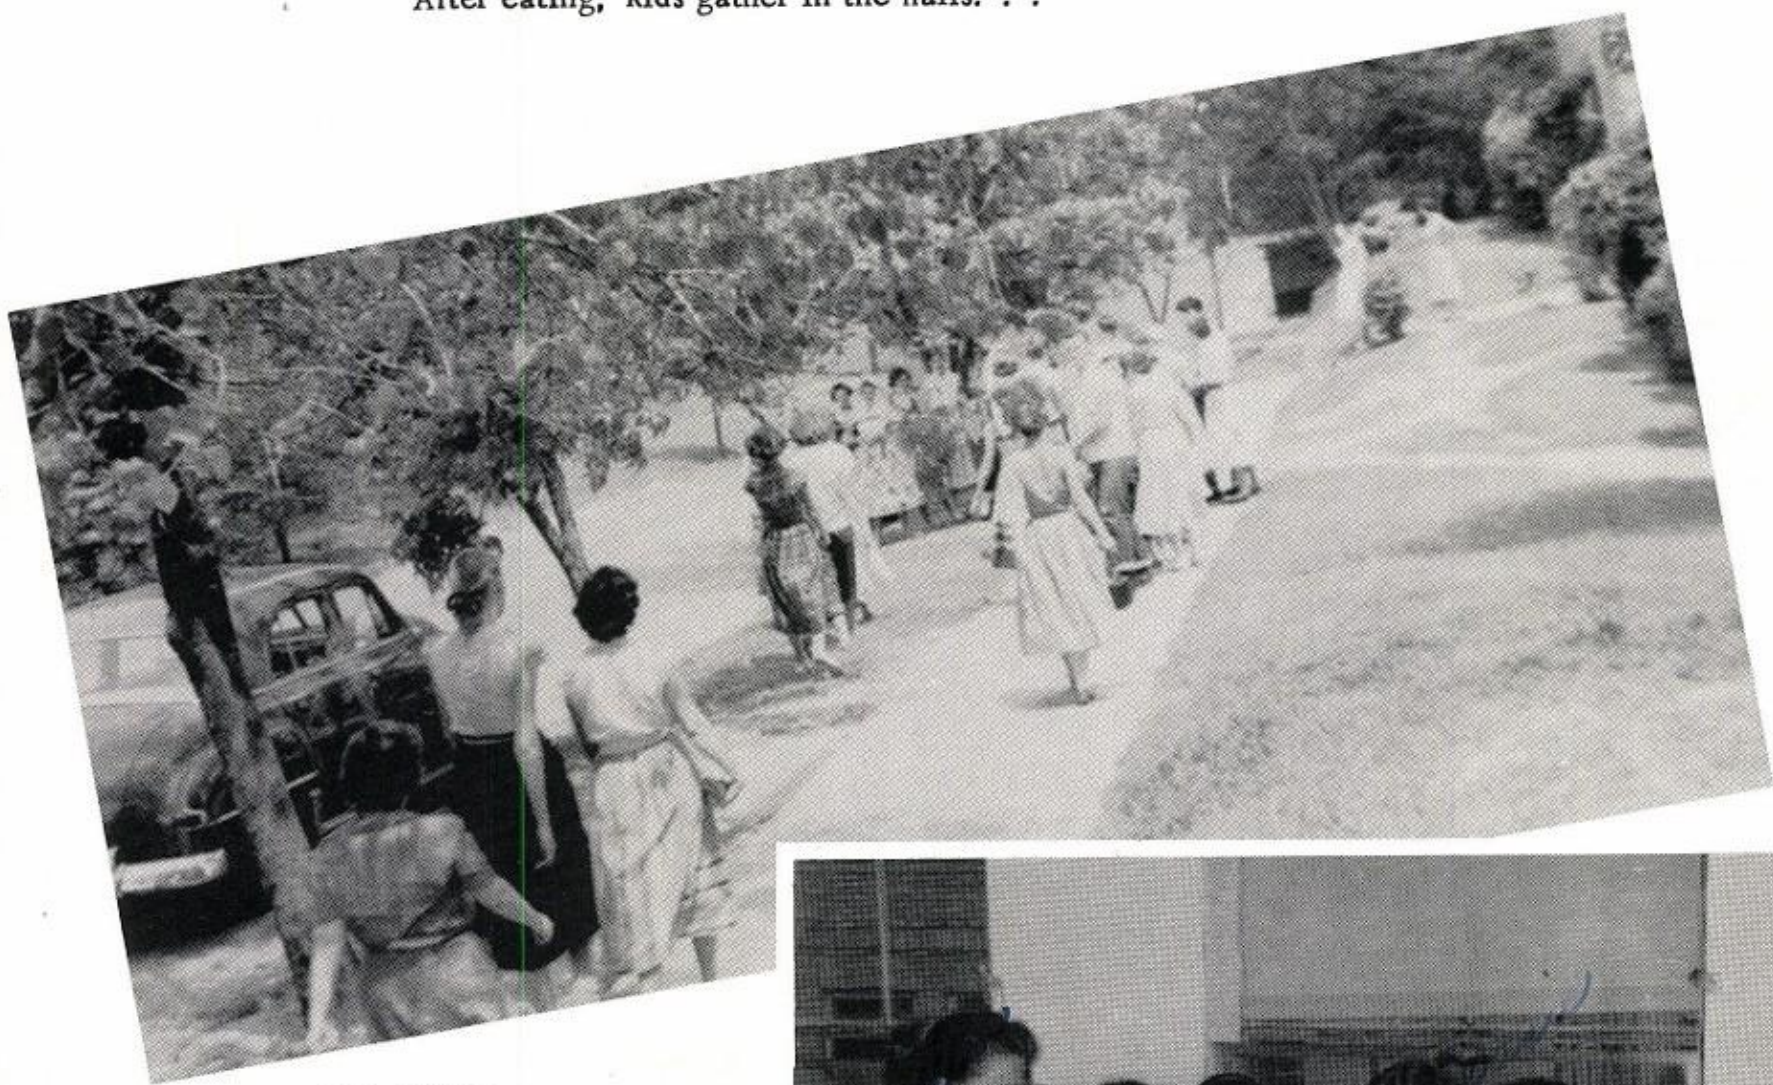

but other things offer relaxation.

After eating, kids gather in the halls. . .

and outside. . .

and "cram" for tests. .

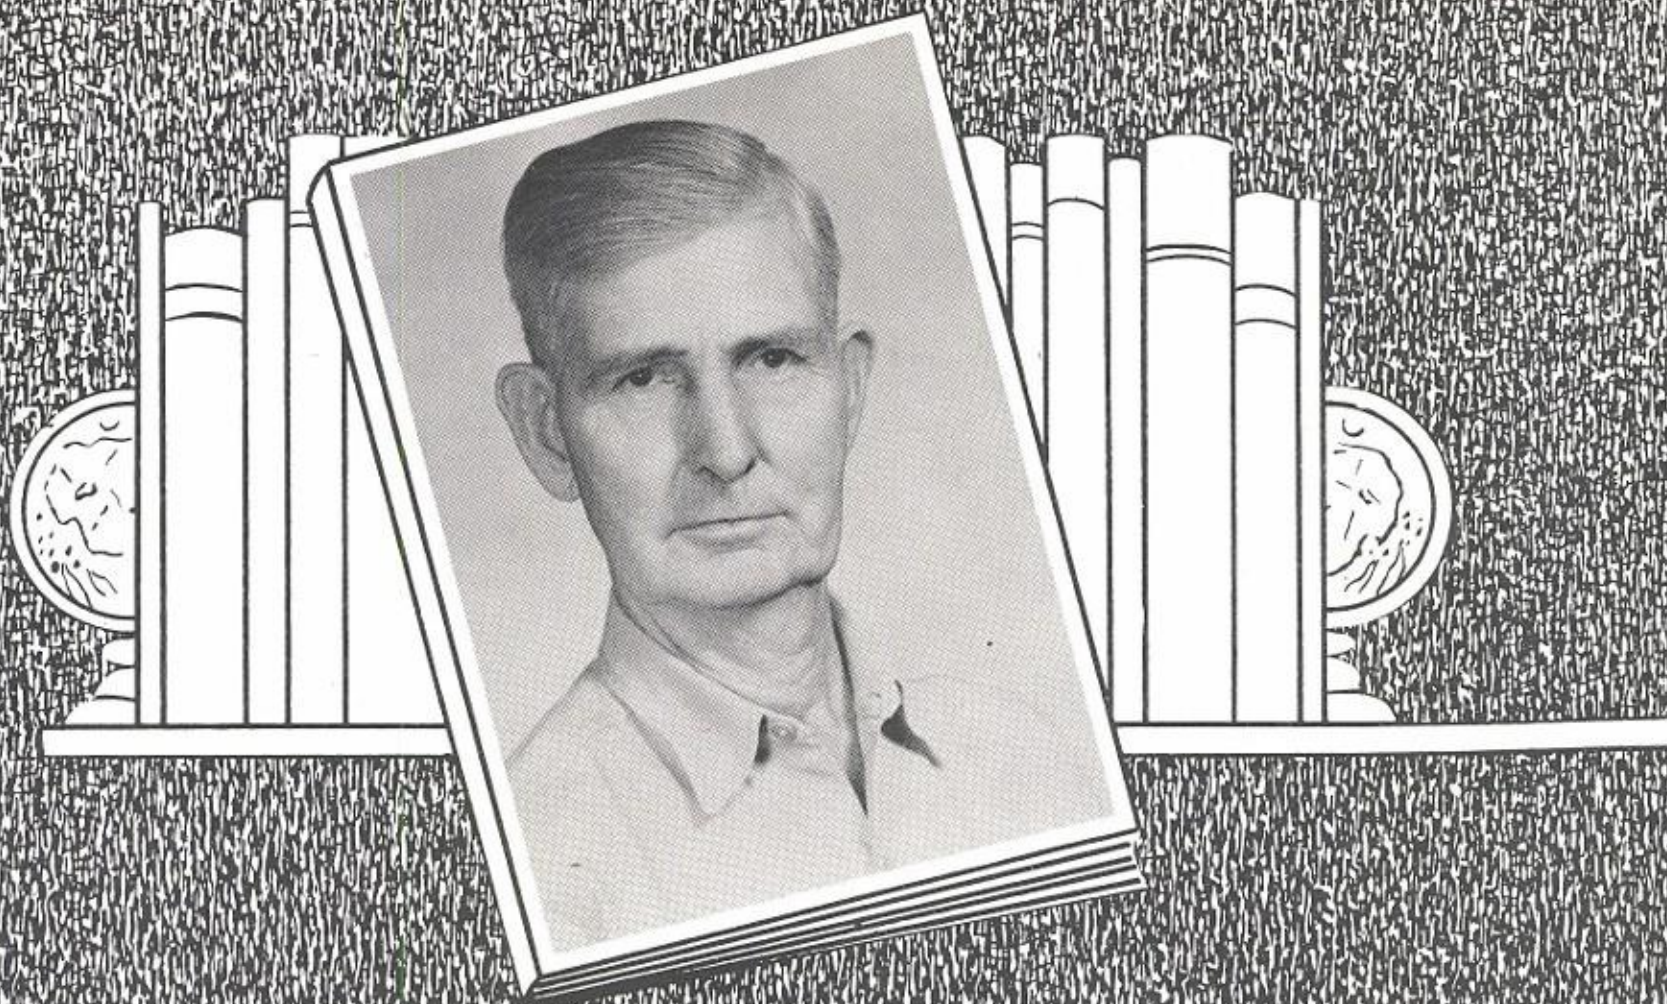

Stunts. . .

Bring punishment,

but everyone is happy when
handed one of these. . .

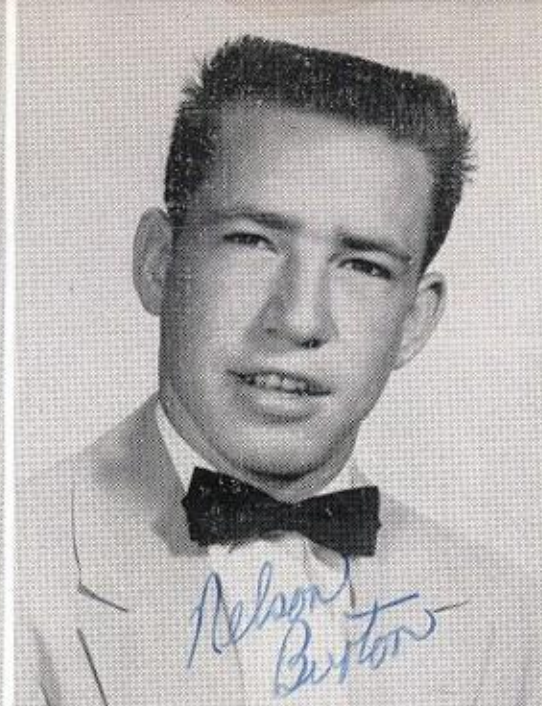

DEDICATION

To one who has long deserved the honor, we wish to dedicate the 1956 "Aerie." It is but an humble effort to show our appreciation for his many years of hard work and co-operation.

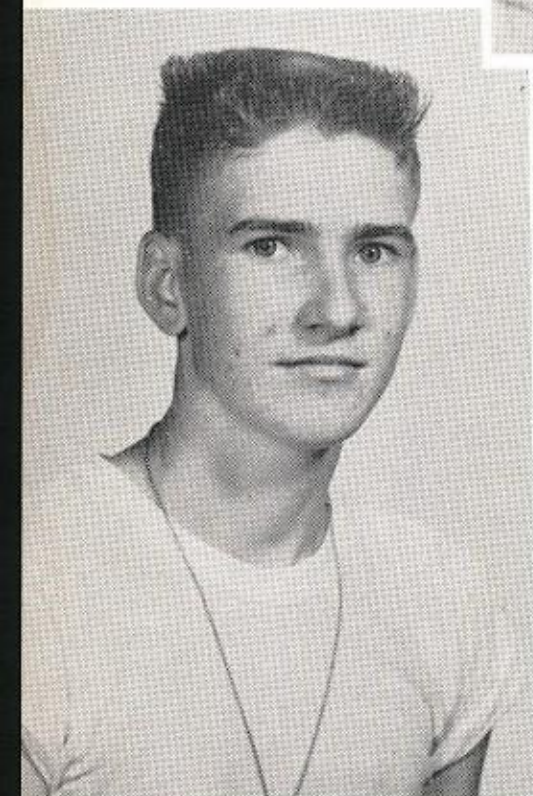

Never before has there been anyone who was more worthy than Mr. Bagley, and we only wish that there were something even greater that we could do to express our heartfelt thanks to him.

SUPERINTENDENT'S MESSAGE

The headlines recently were filled with news of insurance companies going into bankruptcy. But you pupils who are earnest in your school work are building up an insurance for which there is no failure. The skills you learn, the personalities you develop, the memories you possess, the traits of character which are strengthened, all will give you a policy which will offer protection for life. For what little part I may have had in writing this insurance I am grateful.

Sincerely,

Gerald Chapman

Gerald Chapman

PRINCIPAL'S MESSAGE

I wonder if anyone really follows advice given in principals' or superintendents' messages? Anyway, this is my thought for 1955-56.

A mistake is evidence that someone has tried to do something. The man that does things makes mistakes, but he never makes the biggest mistake of all--that of doing nothing.

Someone has said the greatest mistake one can make is that of "giving up."

If you do not learn anything from your mistakes, there is no sense in making them. If you do not learn from the mistakes of others, it would be best that they never made them.

Men may come and go, but mistakes go on forever... just profit by them.

Sincerely,

Curtis McLeod

half. Excellent team man,
hard runner, helped upset
Teague with two T.D. 's.
Voted as outstanding sports-
man by team mates.

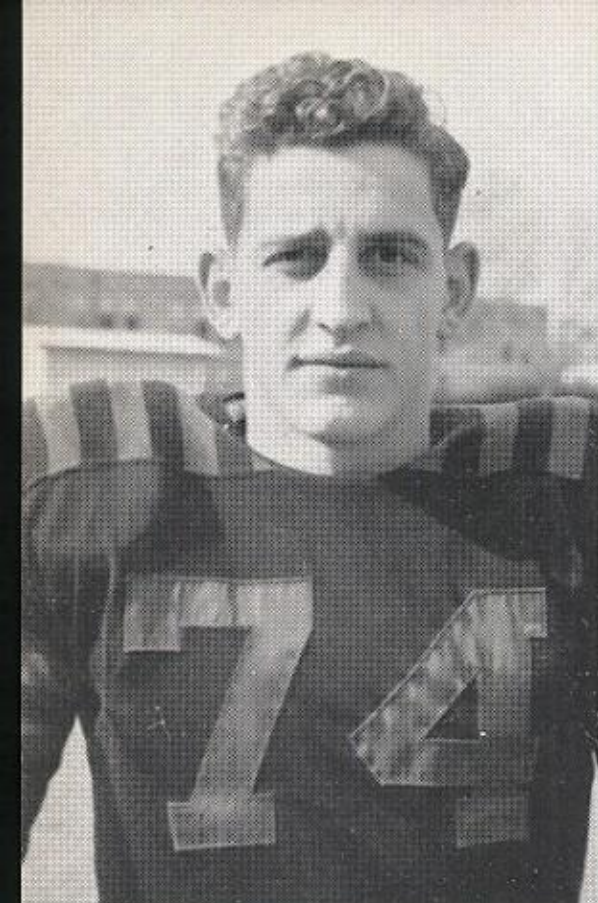

JIM BOB COKER, Senior
Most improved defensive man.
Good downfield blocker. Made
All-District as linebacker.
Developed into a dangerous
pass receiver.

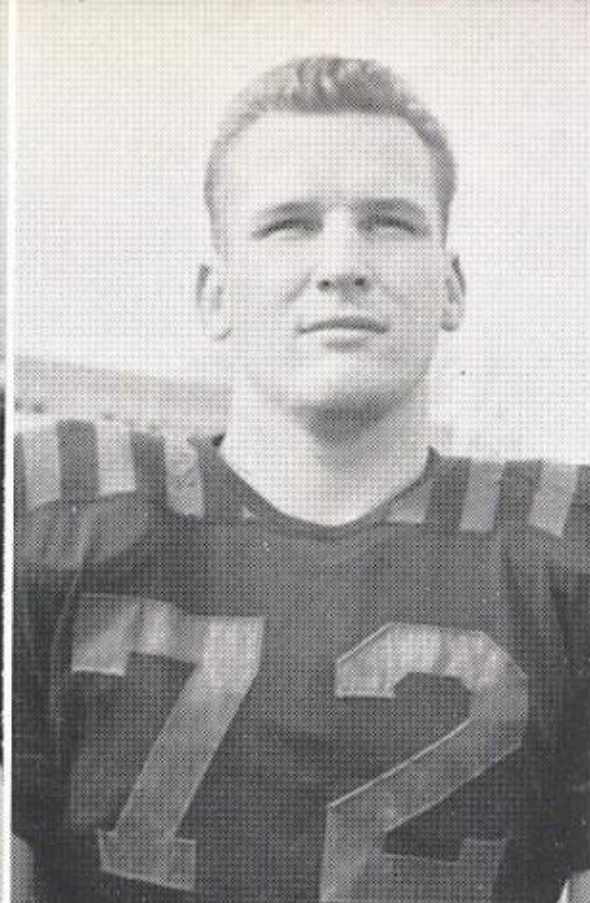

VERNON COOK, Senior
Two year squadman tackle.
Deserves a lot of credit for
"stickability."

ability, and a good team man.
Good academic student.
Should read about him in
college football.

— Bobby, —

Twelve years have come and gone since we met, and we have remained friends all of this time. You can't put twelve years of friendships down on paper, but yours has meant very much to me.

It won't be very long until we go down to Austin and enter T. U. I'd like to have you for a roommate if you like the idea.

Let me be one of the very many to wish you good luck, happiness, and success in your future life.

May your lucky star shine brightly and guide you safely down the highway called "Life."

J. M. Haynes
Senior '56

— Bobby —
I am very proud to write in your annual. I have enjoyed all these years together. You have been a lot of fun. I know we will have good times in New Orleans. I truly wish you all the happiness and luck in the world. I hope you are a big success in whatever you choose to do. Good Bless You.

Your friend
